

Return to Play Guidelines

Stadium Sport Leagues (SSL) has put together the following guidelines in accordance with the government of Ontario's stage 3 framework for re-opening. Recommendations made by the regional health authority (Peel Public Health) have also been implemented to ensure a safe playing experience to all of our members.

Following Ontario's stage 3 framework for re-opening:

- Indoor sport facilities are allowed to accommodate up to **50 people per indoor playing area**
- Sport leagues are allowed to contain 50 people per division, so **groups of no more than 4 teams** will be created for league play
- To follow the 50 person limit per division, teams are required to **limit their roster size to 12 players**

Guidelines & Recommendations:

- If you are experiencing symptoms of COVID-19 (coughing, fever, shortness of breath, runny nose, or sore throat), please stay home and self-isolate. You are not permitted to return to play for 14 days from the last day that you experienced symptoms.
- Temperature checks will be taken by facility staff upon your arrival to the field with a non-contact thermometer
- All facility and league staff will be wearing masks at all times
- Physical distancing of two (2) metres must be maintained where possible
- Practice good hygiene. Wash your hands with soap and water and/or hand sanitizer before, during and after playing a game. Avoid touching your eyes, nose or mouth with unwashed hands. Hand sanitizer will be available at the facility's entry/exit points. Please ask a facility staff if you are unable to locate the sanitizing stations
- As per the City of Mississauga's by-law, face masks are **MANDATORY** when entering and exiting the facility and playing area. Please ensure that your face mask fully covers your nose and mouth
- Spectators are **NOT permitted** on-site for any SSL games (players only)
- Change rooms will not be available at this time, please arrive at the facility prepared to play
- All non-essential contact (handshakes, high 5's, etc.) is not permitted
- No spitting on the field
- No food or drinks are allowed on the field. Water is allowed and it's highly recommended that each player labels their own water bottle

Disclaimer: It is recommended that all participants utilize the self-check section on the Ontario COVID-19 app to prevent any spread of the virus

Disclaimer: Rules are subject to change as per the provincial government guidelines

All players are required to complete their Player Registration online prior to playing their first league game. The player registration includes a COVID-19 release
